What are the **steps** for getting an M7?

1. Fill out this [Google Form](#)
2. Drop off your \$30 payment at the school (we take cash or check).
3. Cards will be available to pick up at the front desk in 2-3 business days (Starting in September).

How do I **pay** for an M7?

- Payments can be made in *cash or check* at the school.
- Payment envelopes are available and can be deposited in the drop box at the *front desk* of the Bent or Charles building.

- After the first month, payments are due on the 15th of the month before the one being paid for (e.g., payment for October is due September 15th).

Can my student get an M7 card for free?

- Cambridge resident students (High School only) are eligible for a free M7!
- Boston resident students are eligible for a free M7, paid for by the city. Since these come from the city, the process for enrolling may be a bit slower. Please reach out to Stephen Read at sread@ccscambridge.org if interested.
- Currently students residing in other cities unfortunately are not eligible for a free M7.

What if my student loses the card?

- Lost M7 cards or S-Cards should be reported to Mr. Read at the front desk. The student will be charged a \$5 fee and assigned a new card.
